

ChartMaker® PatientPortal Release Notes

ChartMaker® 2018.2 (fv6.3.5) (Deployed 02/05/2019)

Added Features

- PatientPortal – Practice Administration – Patients – Delete Documents** – The Patients tab has been updated with the ability to delete documents for an active patient. A corresponding **Delete Documents** button is now available for each patient in the Active Patients list. See Figure 1.

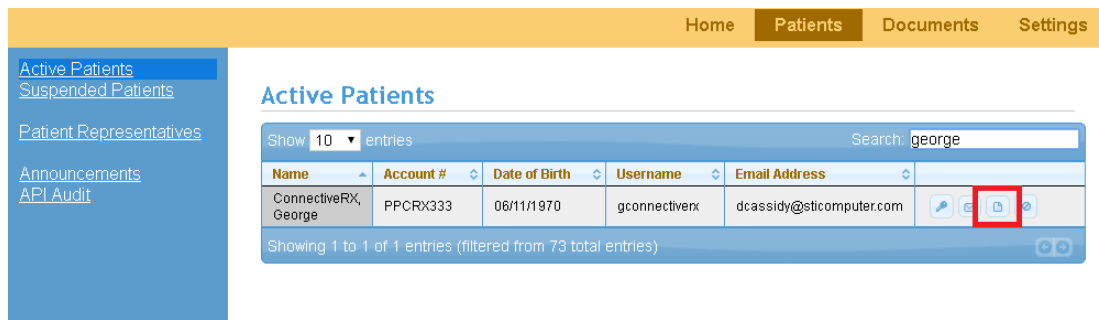

Figure 1 – Patient – Active Patients

After the Delete Documents button has been clicked, a Delete Documents dialog will appear allowing you to select the document you want to delete via the **Documents for** drop-down list, which contains all documents for the selected patient. After the applicable document has been selected, a preview of its contents will appear. You can then delete the document by clicking the **Delete** button. See Figure 2. A confirmation message will appear, and you can click **Yes** to continue with the deletion.
